

Social & Community

What have residents done for others unpaid, not including family?

We're a pretty helpful bunch in the Parish, supporting one another in a variety of ways. Isn't that what a community is all about? Let's hope that it's not just one or two people doing lots of things for others.

What clubs/activities/facilities have you asked for?

Although the results at the moment are heavily weighted to adults there is strong support for a range of activities and a number of alternatives have also been suggested. More than half of us want to improve skills, while the other half want to keep active, fit and healthy.

What best describes your attitude to or views of, our community?

The analysis presented is a snapshot of approximately 15% of the data collected from the 'Your Views, Your Future' questionnaire circulated to 1,183 households in June 2006 in Brockham Parish. The full Parish Plan report will be available by October 2006
